Mutton. 877 FOUR CONDEMNED MURDERERS. - At the Tembs there are now in confinement, under sentence of death, four men, vis: Charles H. Walton, convicted of murdering a woman with whom he lived as husband, in November, 1863; Frank Ferrero, convicted of killing his wife in 1864; Roger Lamb, who killed his wife March 31, 1861, and Bernard Friery, who killed Lazarus a few weeks since. It is not doubted that three of these men will suffer the extreme penalty of the law, and this, probably, before many more weeks elapse.

 Gold opened at 1484, sold up to 149, and fell to

145 upon the report of the evacuation of Richmond, and closed at 145. This new break in prices, and the assurance that it is to be maintained, has given fresh weakness to all commedities, and buyers are less disposed than ever to do business. Government Stocks are all strong at a shade
